“ Sadden for his loved ones and family member he is leaving behind, he was a great asset to the Louise School System along with all the other GREAT TREACHERS in the LHS School system while I was there, graduated in 1962, Mr. Jones was there for me from the first grade to the 6th grade and then Mr. Strnadel finished up and sent me out the door in 1962 to see the real word outside of LOUISE, TEXAS

"RIP" Mr. Strnadel up there and put a good word in for the rest of us you left behind.

Wonder what ever happen to that board with the holes drilled in it, had felt the pain of it a time to keep me on the right road/

“ To the Benich, Rod, and Strnadel families -- You have our deepest sympathy in the loss of your brother and uncle. We have many happy memories of the time we lived in the house we rented from him. He was a great landlord for 11 years and an even better friend. He will be missed.

*Eternal rest grant unto him O Lord, and let perpetual light shine upon him. May he rest in peace. Amen.*

*John was a person that expected respect from each of his students and got just that, too. I never had him as a teacher during my years at LISD. I was blessed to have his wife, Candy. They came to this school as young teachers along with the Stogners and Rowlands and stayed here until retirement. He served many years as Superintendent. He lived with the good of our school in his heart.*
