Johnnie W. Mican

March 14, 1930 – August 9, 2022

We celebrate the life of Johnnie Mican, born March 14, 1930 in Dubina, Texas to Frank and Frances Dybala Mican, one of eight children.

He married his loving wife, Mary Kunetka, on September 25, 1956 in El Campo, Texas at St Philip the Apostle Catholic Church. Throughout their 65 years of marriage Johnnie and Mary enjoyed many fishing adventures, camping trips and traveling. Johnnie also loved hunting and going to Louisiana on the bus, where he became everyone's friend. Johnnie's zest for life and good humor ensured that he never met a stranger. His favorite pastimes include working in his garden, doing yard work and spending time in his workshop, where he invented many things to make life easier for Mary and himself.

Johnnie served in the United States Army from 1952-1955. He worked at Wendel's Construction Company for 22 years and the City of El Campo, Street and Bridges Department, for 15 years before retiring in 1992. Johnnie was a member of the Knights of Columbus, Council 2490, and St. Philip the Apostle Catholic Church, El Campo, Texas.

“ I have great memories of visiting Granny and Grandpa. When Uncle Johnny came into the house there was so much more laughter and fun. We loved going to Uncle Johnny and Aunt Mary's house across the yard, because they let us play pool on their pool table. Thank you again for the wonderful memories uncle Johnny. We will have time together forever, in the home that Jesus is preparing for us all.

“ I loved the sound of Uncle Johnnie's voice. I loved to listen to him tell stories and every time he was talking it was always so lively and funny. I loved most of all to hear him tell stories with his brothers and sister. It was the best when Martha was there because those too were so funny together teasing each other. We sure had some great meals together. That was not a quiet family. I can remember sitting on the porch as a kid and hearing talking and laughing from one end of the house to the other. Johnnie's brothers would show up and leave and come back and bring kids and wives and more food. There sure is a lot of love that was shared in that family and Johnnie seemed like he was the center of it.

It is such a feeling of loss for me to have something that has always been there be gone. But you both have made my life so much richer by being in it.

“ *Uncle Johnnie will be greatly missed by many. As I was growing up I remember all the good times he and Aunt Mary spent with my family. We went fishing a lot and also got together and would play Canasta or poker.*
