“RIP” Mrs. Dornak, put a good word in for the rest of us you left behind and tell all our loved ones up there we said “HELLO”, always will Remembering growing up and living a few houses down from your family, working for Mr. Dornak at the family farm and picking cotton with my Mom and brother and working at his GULF SERVICE STATION in “LOUISE TEXAS”, listening to his life story’s and learning from Mr. Dornak and working with Marvin “Pete” Marek {my first of many “LIFE”mentors} at Mr. Dornak Gulf Service station, we sure did share a lot of good times while working there and learned a lot from everyone involved in “LOUISE TEXAS” before I left.
