“ Dear Osina Family,

I am truly so sorry to hear of Jo's passing. Jo and I worked together at Blades for many years. I remember us packing up the files from the file room area that was eventually to be turned into more office space. Sometimes we would start getting the boxes packed up and we would get so giddy and silly because we were so tired of all the packing. We did finally get them all packed up and sent offsite, and what a task. I retired May 2014 and Jo June 2014. What I am glad about is that I picked up the phone and called Jo not too long ago and we talked for a good while reminiscing a little about what we used to do at Blades and just life in general, it was a great conversation. She will be missed. Again my deepest condolences to you the family for your loss.
