“ *Juliana was such a gentle sweet soul . We were together several times in the ER with our husbands and enjoyed getting to remember the fun times of our boys. Larry Wayne and Mark , you will always be thought of with a smile and love in my heart. You will always think you could have visited more or done more after our loved one has gone but there will never be enough time with them here. Just remember and feel how glorious Heaven must be welcoming her with all the beloved souls gone before. I pray for your peace and comfort in the following days. You will never not miss your Mom until you see her again in Glory. Just know she couldn't have loved you more. And I love you. Toodie*
