“ Karen was a friend to us for 4 decades and no matter how much time passed between our visits or conversations, it was always just like we had talked a few days before. I am forever grateful for Karen's solid friendship. Bill and I send our sincere condolences to Louis and to all Karen's family. She loved her family so much and it was always her pleasure to bring us up to date on how they all were doing. I will miss Karen, as I know you all will.

“ I will carry you in my heart forever Auntie. I pray you have found peace and have reunited with all our family. Please watch over my momma as I know her heart is hurting over your passing. I smile because you aren't suffering anymore but I cry because you have left so many here missing you. I know one day we will all be together again and I hope our next life is more peaceful. I love you Auntie....Rest Easy
