“ *I'm so sorry to hear of Kathryn's passing! We were friends in high school and had so much fun. She was so sweet, kind, and full of laughter. I would see her sometime at Walmart and we would visit. Y'all are in my thoughts and prayers!*

“ *She was always the sweetest person with the best smile! Back in the older days she used to bake the most wonderful cakes she told me one time she sees my love for baking and that makes her happy! She loved her children and grandchildren more than anything. May she Rest In Peace forever*

“ *Sister, daughter, soft-spoken, loving, sharing, grateful, and a fervent defender of those she loved... These adjectives embody my sweet, little cousin. But most of all she was a loving mother, grandmother, and a defender of all. She could bake anything and did and it was like eating manna from heaven. While my own visits with her over the last years were sparse, I am happy to have great memories of her. Rest in peace Little One; you are totally healed and basking in God's love.*
