“ Katie was a wonderful, caring friend. She and I met over 25 years ago and only saw each other a few times but I knew that she would always respond to a message and we would pray for each other. I contracted with her to make 2 T-shirt quilts for my daughters. She lovingly designed them and even gave us bonus pillows! She and Herman then traveled to meet me in order for me to have them by Christmas. She was a beautiful soul!
