“ I saw Larry at his office last month. When we were about 16 Larry would come by my house and ride with me on my motorcycle to class. One time as we were riding in the rain, we fell and each time I tried to start again I would fall. Larry just stood up each time and laughed so hard he almost fell. We shared that memory many times when I visited El Campo and always would go visit Larry at his shop.

I spoke with Larry about God's love in Jesus for him. I will miss those few minutes each time I come to El Campo.
