“ My husband and I were in shock when we heard of Lawrence's passing. We have know him for a long time and we loved him and he was such a great friend. My husband Victor had gone to GV to give him a Christmas gift the week before and he was fine and Victor told him that we both love him and that he would be back to visit him. Victor was so glad to have seen him before he passed. Lawrence will be greatly missed. May he rest in peace and our deepest condolences to his family.

I'm deeply saddened that Larry has passed on. We were married Oct 2 1972. Later divorced. He loved life, Fast cars and fast women. He lived life to the fullest. I am blessed that I became a member of family. They such good hardworking and hard loving people. I just found this obituary as I had no idea of his death. I loved that man with all my being but things have a way of changing. I only wish someone had contacted me but yrs have passed so I'm long forgotten, but I will carry his memory and his wonderful family in my heart. Rest in peace Larry I did love you so much. God bless all, Debbie krpec wallace

“ *Lawrence was an important part of our flying business for years. Our whole family often share Lawrence stories & will continue to as he left a lasting impression. The boys would go out on the truck with him. They learned “ I’m just a lonely boy” & his other favorite songs. He offered his lunch when they had none & they loved his tuxedo T shirt, got dern! He was a great guy! RIP.*

“ I am so shocked and saddened by Mr Krpec's passing. He was so sweet . If we saw each other at walmart, we'd shake hands and visit. Recently I've stoppded in to say hello when I saw him at GV. I had my 2 grandkids along this last time and we brought him snacks, including his request for sour cream and onion chips. Im gonna miss seeing him for sure. My deepest sympathy to his family
