“ Cheryl I want to let you know how sorry I am to hear about Larry's passing. What I remember and loved about Larry was his sense of humor, the love and respect he had for you, ... his cowboy-ness and boy, he could tell a story. I can still recall the sound of his voice, telling jokes or teasing you.
I miss you Cheryl and would love to hug your neck sometime soon.
Love you, Lisa Alexander

“ Ricky and I have so many memories of great times with Larry and his boys. Larry was definitely one of a kind and was a special friend to us. I loved how he started calling our daughter Krissy “Red” from the first time he saw her when she was born and even as she grew up and every time he saw her he would still call her “Red” Today she talked of this memory of Larry with a smile.
Cheryl please know that we will always remember and cherish our times together with you and Larry.
Our thoughts and prayers are with you Cheryl, and all the boys and their families!!
Love y'all,
Ricky and Elizabeth Tibaldo

My heart hurts for you and the boys so bad. I know what you are going through and it is pure pain. Larry was a one of a kind great guy! Always had a smile and a kind or funny word for everybody. We do have good memories that go way back. I know Paul met him at the Pearly gates and they are cutting up in Heaven right now! May God wrap his arms of love comfort and peace around you all. Prayers love and hugs.
