“ Leon was a wonderful man .I was able to work with Leon at Exxon Bop.  
Leon would make everyone smile when he came in the room. he would start  
a joke and was never able to finish because he would laugh so hard and everyone else would laugh just as hard alone with him. I was in my twenties when I met Leon we would talk politics all the time ,and he would tell me  
you will change when you grow older and have a family and he was right.

*Thanks for the memories rest in peace Leon.*
