“ We have been friends for over 40 years. We knew we were there for each other even if we didn't have contact with each other for weeks. She seemed to show up when I needed her the most. I could tell her anything. She was so private she only told me what she wanted me to know. I loved her and she knew it and she loved me.

I feel so honored to have her as my friend. There were times we were as close as sisters. Our lives got in the way of us being close every day. She was there for me when I lost my daughter. April seems to be a bad month for me. I lost my best friend on August 10 and my daughter died on August 19, 2003. I will truly miss her. She will always live in my heart.

“ *I loved Cathy's sense of humor! She could always make you smile any time of day good or bad. What a wonderful friend to many she was. I am going to miss her as I already did. When she moved to Rosenberg I didn't get to see her as much and I'm sorry for that but she was getting good care. My deepest sympathy to her surviving family!*
