“*Mrs. Peikert was a life long friend and neighbor in Egypt, Tx. I have vivid recollections of going to her home as a child and playing in her yard and garden with her children. When I became an adult, she was always interested in how my life was going. We did manage to visit on some memorable occasions. She maintained her wit and sharp mind into old age. She was a wonderful person. My condolences are sent to the family.*”

“ Whenever I think of the best summers and happy family memories I always think of Aunt Leona and her family. She made everyone feel welcome and loved. She has been blessed by God with such a large and loving family and they have been blessed to have had her with them on this earth for all of these years. Her passing is painful but I pray that God will touch each family member and let them remember the good times and let them know that she is with Him and the rest of her family.

I cannot be there for the service but please be sure that I will always remember my Aunt Leona..May God bless each of you during this difficult time.
