I completely missed it that Leroy had passed. He was a good friend back in the day and beat me at so many games of pool at the old Roostery's place in Taiton that I couldn't begin to count them all.

Condolences to the family.

“ As many have mentioned you were one of the nicest guys. My coke drinking buddy. You beat me so many times in practice and I kept playing to learn everything I could. During my last visit to town I’m glad we got to play a couple games and have a conversation. I’ll never forget you !
