“ *While attending college in Wharton he was also working at Nathan and Dorothy Blum's radio and television shop. After missing the bus he ran from Wharton to Bay City and made it to work. I am still impressed!*

“ I have lost a very dear neighbor and friend. I don't know what I will do without Lyle...he usually beat me to bringing in my garbage container. Lyle was the nicest, warm hearted person I have ever known. There wasn't a mean bone in his body. I put a coffee maker in the shop so he could sneak down and have a cup with me. He was always asking how my girls and grandkids were and was sincere in his thoughts. I miss his constant smile and his telling me what the weather was going to do after reading a two day old paper...bless his heart. The last seven months of his life was such a struggle and he met his disease head on. His journey is over and he is okay now. Rest in peace my friend.

Any time our paths crossed Lyle would make it a point to stop and chat and no matter what he was always uplifting and smiling and this friend will definitely be missed and I have no doubt that he is now in a very good place. Rest in peace Mr. Pryor.
