“ Gus we were so saddened to hear the sad news of your mom. She was such a great lady and a dear friend . We always visited whenever we ran into each other...we shared so many conversations and which I always so much enjoyed. I know she will be missed and sending prayers for you and all your family....that God will be there for all of you through the tough days ahead...Take care and be strong and know that God is always with you...love to you and "all" your family.
