“ *We were blessed to see Tia Lillie and family in Texas City for Thanksgiving in 2019. It was a beautiful day spent with beautiful family eating great food. It will be our last memory of her but like many others, It will be a wonderful memory to cherish. We have lost a giant in the family, but we find solace knowing that she exemplified a life well lived. Rest In Peace Tia Lillie. Our condolences to Uncle Jesse, Cynthia and family. We regret we won't be able to be there to extend a heartfelt hug. Love, Big Ern and family.*

“ As I sit here with a heavy heart and watery eyes reflecting on all the good times and great conversations we had my faith gives me confirmation that my Lillie MAE will sleep in peace! Disappointed in my tardiness of getting down to the country to hug her one more time & get fussed at for taking so long. I love you Lillie!!

“ I met Lillie many years ago at Garden Villa as we worked together. I was only there one day a week doing hair for the residents tho. When she would be one station two, she would be right by the salon. We loved to laugh and try to solve our problems during this time together. I loved her hardy laugh and still hear it in my mind. Occasionally I would see her in town and we would hug and laugh like it was yesterday. I loved her as much as any two people were together as often or little as we were. She is a friend I will always hold dear in my heart. Anyone knowing Lillie will have to say she was something else. Her family will miss her and hear the silence without her presence. She will always be close by and in our hearts always. Fly high Lillie. I will see you soon. Love you and beyond. Toodie
