“ Linda was not only my cousin, but one of my dear best friends which I can count on one hand. She loved and supported me through thick and thin. She truly enriched my life. Her parents, my aunt and uncle JE and Lorraine were among the most remarkable people I've ever known, like Linda, they never spoke ill of others. Disappointed sometimes in decision made, but never hateful always forgiving . She never thought highly of herself, instead showed great humility. Lessons i personally need to improve on. I will always cherish her in my heart along with our many conversations. I love her family and they are very close in my thoughts and prayers. May we all strive to live by her and her parents example. I will miss her greatly! Tonda
