“ My mother and Uncle Lionel looked so much alike...I see him in her face. I have great memories of living in his house with Grandma that year before we moved to California. He had the best music. He shared so many things with us. He was a great uncle. I'll miss him, but I have the memories.

“ "Yes, we are fully confident, and we would rather be away from these earthly bodies, for then we will be at home with the Lord." - 2 Corinthians 5:8 While I haven't see uncle Lionel in many years, he was/is always in my heart. He is more dear to my mom than you'll ever know; GOD blessed her with the best brothers in the world, thus he was a very dear uncle to me and my siblings!! We love him and will never forget him; wonderful memories will always keep him close!! Now he is gazing upon the face of GOD and there you will see him again!! Nonetheless you are in my prayers and I'm praying the GOD of all comfort will comfort you and give you the peace that only HE can give; peace that surpasses all comprehension!! With a deep love in JESUS, Debora Cisneros

“ *I wish that I could say that the Death of my Uncle doesn't phase me
at all but it does. I wish that I could say that his Death only affects
me but it doesn't. I wish that I could wake up the next day and be
able to say it was all a mistake, that it was only a bad Dream but I
can't .
Speaking for my brother Jack and my sister Mary, Lionel was no
doubt our Favorite Uncle.
There are only three Men still alive who were and still are the
perfect role models in my Life, Pete Quintana, Elmer Rod and Capt.
Davis . Solid Men with solid character with personalities that Speak
for themselves.
God doesn't create Men like this anymore!
Thanks to Jearline for being the woman and the Wife whom never
abandoned my Uncle during his illness. That in itself means the
World to us all.*
