“ My prayers are with each of you during this time of sorrow. She was a sweet lady with a long and wonderful life. But as I know from losing mother and daddy you will be able to look back and smile as you remember the little things she said and did for you and how much she loved you.
Thinking of you'

“ *There isn't a Christmas that passes when I don't pause as I hang the very special ornaments you made for me. Such a gracious lady with so many talents. May God bless your family as they seek peace for their souls from the void that your leaving this earth has created. Families are forever, will see you again some day. Love,
Paul and Melody Bacak and family*

“ Dear Uncle Sonny, Beverly and all the family,

How broken your hearts must be to lose your bright, sweet, kind, loving wife and mother. She was such a joy to be around, always with a story, a patient ear and a generous acceptance. In the last few years, whenever Blake, Jane and/or I and my husband, Cameron visited El Campo, it was a highlight to visit, if only briefly, with you Uncle Sonny and Aunt Lois. You have always been so good to me and at any moment, when I need to see the best in life, I can see your smiling eyes and hear your laughter. I pray for your comfort in the myriad of happy memories you have and in the knowledge that you so beautifully modeled a spouse's loving devotion in good times and bad, we should all try to live up to your example.

Beverly, no mother could ever have been more proud of a daughter than your mother of you! And of her grand/great grandchildren. She loved to tell us about everyone and I am thankful she kept us connected over these years when all our lives have been too busy to do well at that. I pray for you, as for your Dad and all the kids a flood of joyful memories and the comfort of knowing she has had one foot in heaven most of her life so she is surely in her Paradise now. Bless you all and with our love, Linda & Cameron Graham and Blake and Jane Johnson
