“ Out of all of Daddy's cousins, I liked Lois the best. I never saw her without a smile on her face. My parents were Larry and Nelda Wagner. Mama told the story that, when she and Daddy were first dating, he showed up one night to pick her up for a date but had another girl with him. When Mama went to get in his car, this other girl just slid right over and sat between them. Mama was pretty jealous, and confused. Turns out that "other girl" was his cousin Lois and they were just playing a trick on Mama. Sounds like something Lois would do. I'm sure there was a great reunion in Heaven when she got there. I'll miss you, Lois. Rest in peace.
