“ *Lorraine was always a very special part of my life... If we weren't at their house on the weekend, they were at ours. I used to love to sit next to her because she would play with my hair. I would read Callen's thousands of comic books because Lorraine said I could.... :) She spoiled me just a little. I treasure my memories of her and the whole family. May God grant her peace and may she now be at rest. May God give the family peace in their hearts. God Bless You Bill, Callen, Roselyn, Gayle and Bill and all the others. Donna & Chris Merta*
