“ I was sitting at home and thinking back to my very first job at 13 years old, I was hired part time after school by Tom and Luayne to work at the original location. I fondly remember being treated like family and always enjoyed going to work ( I worked alongside Mrs. Strumer on most evenings and after we closed I would walk her home before heading to my home on my bike ) I was sad to see Luayne had passed she was like a second mother during my time working at the restaurant. Tom and Luayne will always be fondly remembered and in my prayers. With Love Kenneth Alford
