“ I was sorry to hear of the loss of your mother. I remember a party at your house years ago and the dancing we did in your garage. The good times we had back then. We lost mother in January and its really hard losing your mom. Your mom was a very sweet person. I will keep you in my prayers.

“ Sheri, Jerry, Larry and families, I'm sorry to hear about your mom but do know she is in better company with our Lord and family members that have gone before her. She is no longer in pain. I know Sheri you will be lost without her in your presence but she will still be with you by your side and in your heart always. Always by you in all you do. I can just hear her telling you how to do things. I have truly enjoyed the time I've spent with her these last few months. We had some great talks about my mom and all of us growing up. Take care! Blessing to all! Love you Sheri! I;m here for you!
