“ Dear Malek Family:

Our sincere sympathy to all the family.

My fondest memories of Mrs. Malek were when years ago I used to go to your home and spend the night with Pat. We had more fun and Mrs. Malek's cooking was always great. She always seemed to know just what we loved. My all time favorite was her homemade Chocolate Angel Food Cake. It was sooooo good.

God bless all of you and you'll be in our prayers.

“ We lived around the corner from the Maleks when Alfred was a teacher at Louise High School from 1973-1977. They were both wonderful people to know and love. I remember Mrs. Malek once saying the only bad habit Mr. Malek had was buying so many Catholic books to read. Mrs. Malek had bad arthritis when I knew her, so I know these last years were very painful for her. We'll never forget how kind they were to us as newcomers.

“ Marian,
My thoughts and prayers are with you during this time. When we lose the very special people in our life that helped make us who we are, it causes a rush of emotions and memories. May God bless you as you give thanks for what your mother instilled in you and the courage to continue to lead your children in the lessons that she taught you.
Sincerely,

“ We extend our condolences at Mrs. Malek's passing. Her and Mr. Malek were our backyard neighbors in the 70's. We remember their friendliness and its where our son Brian and their grandson Michael first met before they went to school. They would throw a ball to each other over the Malek's fence.

Our Prayers are for your family during this time of loss.
