“ *Mark you will be Deeply Missed. I have known you for years and you have always been a great friend. You were always able to make me smile when I was sad or depressed. I just wanted to say thank you for all your help when you came over to help me cut down the tree by the garage and for helping pick up my mother when she fell. May you spread your WINGS and fly high and watch over everybody who is left grieving. Especially watch over your mother Ms Eva. I still watch for you to come out of your garage everyday. I will miss your friendship more than you will ever know. To ms Eva if there is anything you ever need DONOT hesitate to ask. i will always be here for you. I Love you Mark RIP my dear sweet friend. Till we meet again. Your friend Debbie*

Bob and Nancy Nason would like to send our heartfelt sympathy to Eva and the Hundl family. I knew Marc briefly, and was always knocked out by his love of family, his sense of humor and refreshing candor. Sleep sweetly, BBQ man.
