“ I'll always remember Aunt Margaret's laugh. She laughed with her whole heart. I will miss receiving her Christmas cards with the sweet notes in them. I loved hearing she and Mom telling stories about the goings on with all the kids and keeping up with each other for all these years. She will be missed, but she is now where a huge reunion is going on in Heaven. Love to her family.

“ Mark my condolences to you and all your loved ones. I am very saddened to hear the news about your mom. She was a very dear ,caring and love able friend that I will forever hold her beautiful memories in my heart. I loved all the talks and times we spend together,we would always talk about our families and the love we had for them. She was always looking forward to seeing and spending time with you. I loved the conversations we had about her trips ,she always talked about the fun she had and times well spent with you and your family. She always had a beautiful smile and would always remember to either call or send me a Birthday card. When she moved we still would have phone conversations..I was so blessed to have known her and have her as my friend.I will always cherish the beautiful memories of our friendship. My thoughts and prayers are with you and all your loved ones. 🙏🙏🙏🙏. Silvia Hogan
