“ *Maria came into our lives about 10 years ago and boy what a blessing she was to us. She was the kindest most loving soul you could ever meet. She was always willing to help no matter what the circumstances may be. She gave 110 percent and never asked for anything in return. Maria had no children of her own but was so full of love for her nieces, nephews and their children. She loved and cared for them as if they were her children.*

Maria helped our family in many ways. She also helped care for my mom who had suffered a terrible stroke. If I could not be with Mom and Maria was available, my heart was always at peace just knowing she was there. She took great care of Mom, reading, praying and singing to her. Maria's faith was very strong. She told me on several occasions that she felt she was put on this earth to care for others.

We love you Maria and will miss you. Our lives are so much richer by having you in it. Rest in peace my sweet friend. We will never forget you.
