“ Dear friends and family,
I remember your mom and loved one as an extremely kind and gracious lady. She was always someone my my own parents thought very highly of and regarded with great respect and affection. I notified my brother and sisters who send their love, thoughts and condolences as well. The sad news came to me by way of John Langdon. I am out of town or would have certainly done my best to attend her service.

Best you you all, please stay well, and again deepest condolences for your loss.
