“ *Tía Marlena has been a part of my life since I was about 5 years old. Probably earlier. One of the first memories of her that I have is when she would go on a date with "Uncle Sheno" (Rosendo Muñoz) and my Mom would make her take me with them. Little did I know at the time that I was was the chaperone! I was just 5 years old then ... and she was 16.*

*I can't believe she is gone. I am so saddened and life will never be quite the same without her.*

*Te amo Tía!*
