“ *My prayers go out to the family that I have known for years. I am only a step daughter to Marlene but I have been around her 40 plus years through out my life when she was married to my Dad. We all have memories of each other as we all grew up along with Marlene coaching us and telling us stories. She will be greatly missed, but she is no longer in any pain. I know her and Guy will be doing alot of talking up the*

*“ My grandmother was a god fearing women. She prayed for  
everyone and was always a very giving person. For me personally, I  
felt she understood me like no one else could. I will greatly miss  
praying with her and talking about what the Lord is doing. I could  
always be myself with her. I rejoice that she is with Jesus and her  
pain is gone. But I will miss her greatly. Holding her hand, kissing  
her cheek knowing that we understood each other. I will see you  
one day in heaven soon grandma, I love you!*
