“ *I can remember the many family get togethers growing up. Uncle Marvin and Aunt Gertrude were my God parents. I can remember every Sunday after church meeting at Grandmas for the best Sunday dinners ever. We always had a great time together as a family back in the good ole days.*

*My heart goes out to Gary, Karen, Debbie and Donald. I know the pain you are going through however now the healing begins and the memories that will see you all through this difficult time. Although I can't physically be there with ya'll my heart is with every one of you.*
