“*Mrs. Adams was a delightful teacher and coach. I could never call her by her first name even tho we are only 7 years apart. Such a lady at all times standing courtside at our games. I will always remember her with love as a student for a teacher. Soaring with the angels in Heaven now. God's speed Mrs. Adams.* Maureen Brady

“*Dear Mary Jane & Family, I loved your mother. She was my PE teacher & cheerleading coach at ECHS. Later, when we came back to teach in El Campo, we taught together in the language arts department for many years. She excelled at teaching children to read. After retirement, Hubert enjoyed their visits at the EC Heritage Center bingo. Please accept our prayers and heartfelt sympathy. Love, Hubert & Mary Jane Kaiser*

“ *Mary Wood became one of my favorite teachers. I was in El Campo Junior High and in her class. She may have been substituting and she was young. She made us feel loved, which made us enjoy her forever. I was very impressed that she taught us to shoot targets with bow and arrows. We were excited when she married John. Two all time favorites together. It was so nice to be able to worship with her on Sundays. May God continue to bless you all and remember that our thoughts are with her family and friends.*

“*Mary Wood was the P.E. teacher and coach for the girls' volleyball and basketball teams when I was in high school. I think that was her first job out of college. She was a very kind lady and a good coach. I recall when she and Mr. Richter became good friends and then later married. He had been my English teacher my junior year. When I returned to El Campo for a few years in 2010, I was an adult too, but it still seemed strange to call her Mary. She was so gracious and kind as she had been in high school.*

*You have my sympathy for the loss of your mother, and I hope you will treasure the memories of your times with her... and your dad also.*

*God bless you,*

*Sincerely,
