“ *I miss you very much honey. it's been a trying year being without you where an hour doesn't go by without thinking of you.*

I know they say you're in a better place and I agree with that, but boy, if I could be selfish for a time I rather have you hear with me. But what gets me through the day is that you're not suffering anymore, and you've been through a lot. You never complained, you were a go getter, always getting things done and always being there for me.

And I have to mention your best trait, no surprise, and that was your golden HEART. Wow, you were something. As we always kidded why I ended up with you was because of your golden heart. And I have to say no kidding around there.

You will always be the love of my life. Love you and most of all miss you.

“ *Marty, Liz and I are so sorry for your loss. We just want to THANK
YOU for bringing Mary up to Michigan last summer for a visit. We
sent you a coule of ictures with Mary, you, Ivy, and us for a
remembrance of our fun time together.
We so want to be with you during your time of grief, but taking care
of mom's situation is something that cannot be put off. I am so glad
Rick can help you go through this time, as he has experienced this.
Losing a spouse is something that takes time to come back from.
If things get a little hectic for you, there is an open invitation for you
to come up to Michigan and stay with us for a while. May the Lord of
Hosts comfort you, protect you, and wrap Hos arms around you.
May His peace and grace fall gently upon you as a spring rain falls
and invigorates the earth. Love you very much.*
