*Our heart felt condolences go out to you Meth and all of your family. She was a fine beautiful lady at all times. She will be missed throughout the community for her kind friendliness. Am so glad that when we saw you last (just few days ago) you were telling us how proud you were of her and telling us how already then she was so weak. We ask God to wrap His arms around you and all your family to help you thru these tough days ahead Again we will miss her dearly, she stopped a many times and we would visit at the grocery store. She always had time to say hello. God's blessing to all you... Again a special friend she was .....and will ALWAYS be remembered.
