“ My deepest Sympathies to all of you. I have some wonderful memories of your beautiful loving mom. She was always very sweet and kind to everyone and always had a smile on her face always. We were neighbors when I was growing up and I'll always remember how she always loved working outside in the garden, and shared the vegetables with us and other neighbors. I know that you all will miss her dearly because she loved you all ver much and was very proud of her family. May our Heavenly Father bless you all and give you the strenght each and everyday.
