“ I have always known you as comadre. That's how mom and dad would address you, since you were my baby brother's God Mother. I will miss you Comadre you are now with my best friend also your daughter Mary. The last time we spoke in the phone you would tell me how much you missed "Mary". I just left Tiki and while I was there I was remembering how Mary brought you over and we gave you a surprised birthday party, we were all so happy and poking fun of each other. May you rest in Peace with my only best friend. I have friends but Mary was my best friend. I love you Comadre rest in peace.
