“ *Dearest Tillie, I am going to truly miss you. Your volunteer days at our library were days I looked forward to. Your professional attitude was truly admired. I was happy your smiling face was the first thing our patrons saw when they came to see us for their needs. You were committed to your volunteer work and you wore your volunteer pin without fail. I enjoyed our many special conversations. You were a very hard working lady and you inspired me to do better, especially in gardening. I admired your strength in all things. I have many memories of our holiday lunches and how you helped in any way you could to make those gatherings special. I believe you were in charge of tea. I will cherish those memories. Rest easy now, you have worked hard in this world and you are now home where you can truly enjoy yourself, look down on us and smile. I will miss you dearly.*

“ *Tillie was an awesome lady. She has been a part of my life since I started working at the library and that's been 18 years. She had a heart of gold. One classy lady.*

Mrs. Thomas was, without a doubt, the sweetest and kindest neighbor in the world. We lived next door to her for 20 years and had many wonderful conversations about her life in Houston. We will miss you Mrs. Thomas. Steve, Rita and Jonathan Dornak
