“ Anita and all the kids - I am so sorry about Michael. I have such wonderful memories of Gi and all the boys. Dee asked me to extend his sympathy. He and Mike ae the same age. I think Chris was the last of your family that I taught, but I know that I had all of them at some time.

Along with being a great artist Michael was truly a wonderful storyteller he could paint a picture with only his words and he always made us laugh I'm going to miss him

Living next door to the Meismer's while growing up is one of my fondest memories. My parents enjoyed visiting "the farm" and spending time with family. My prayers and thoughts are with all of you.

Mike came by one day and said he had been running errands and things and I reached over and wiped off his forehead and he looked shocked and said, "NO...I just got that." I did Not know what Ash Wednesday was. Oops, but we had a laugh which was something you could be sure of with Mike. Prayers to you guys.
