“ To Mike's mother Lillie May, brother Anthony, sister Barbara and family. It is hard to put into words what Mike meant to me. He was one of a kind and rarely does a person find such a friend as Mike.

I met Mike over forty years ago while serving in the Navy. Through the years our friendship grew, every year I came back to Corpus Christi to visit and hang out with Mike. We were always working on special projects either for him or myself.

Friends like Mike are rare and show a person the true meaning of friendship. There are no words to express how I will miss him.

Respectfully,

“ *I am going to miss the phone calls every week where Mike would
ask me "have you heard any good rumors about the other wrecking
yards". Then we would talk about when he was going to retire or if I
had hit a lick today...*

*In the wrecking yard business one hears all the bad stories about
the crooks at the junk yards,I am here to say that mike always
treated all his customers with fairness and respect...a rare quality in
this industry.*

I will truely miss Mike.

*Mike was always a gentelman, always a christian, and always a
friend.....*

“ What a guy!!! He was such a fun person to be around--always had a smile on his face and something funny to say. One thing I will never forget is the personalized license plate he had. I don't remember what vehicle it was on, but it was "DBRHSS." I asked him what that stood for and his reply was "Drink beer, raise hell, stay single." I guess it lived up to that.

I know he will be greatly missed by a lot of people. He brought a lot of kindness, joy, and laughter to this Earth during his stay here. May he rest in peace and keep a watchful eye on his family and friends.

“ I have known Mike since I was around 7 years old when my father took me with him to buy something, that was 32 years ago. When I was around 12 he gave me my first Q-Jet carb to take apart to see how it worked.

He was always willing to help me keep my Chevelle going and even gave me a job for a while after I got out of high school.

I spent lots of my free time roaming around AAA and just hanging out talking with him and the various characters that always came by.

Mike was a Great friend and will be missed.
