“ Dear Donna and family,

I was shocked and so very sorry to hear of Nashell's passing. I can remember vividly the day she was born as I was in labor with my son at the same time you were in labor with her. They were born on May 28, 1984, which was designated as Memorial Day that year. I remember the nurses joking that it should have been "Labor Day" because so many women were in labor at the same time.

I can only imagine what you must be going through, as it is against the natural order of things for a child to proceed a parent in death. I know you have a very caring family to help get you through this, and I know the Lord will be with you to wrap you in his loving arms and guide and give you comfort in the days ahead.

My thoughts and prayers are with you.

*Love,
