“ The memories of visiting Garwood/Nada, Texas when I was a young girl have never been forgotten.
The great meals, fun weddings, showers, and hospitality like nowhere else.
Annie and Tony embodied all of this.
Can still remember when they were building their new house, and how excited Annie was.
This is a tragedy that breaks our hearts.
My thoughts and prayers go out to the family.

“*“Memories, pressed between the pages of my mind.” Uncle Tony was a gem and I will always treasure all the memories I was lucky to share with him and Aunt Annie. Together they were an unbeatable, loving couple.*

Even though their human form is gone, they will continue to live through all the memories that each of you continue to share between each other and friends.

May our loving Lord wrap His arms around you during this difficult time and carry you through this cross. Lots of love, hugs & blessings.
