“ Norma was a friend from the 1940's when the family were neighbors on Fahrenthold Street. For the past 30 years or more, she was my go-to person for questions about El Campo and Wharton County. Her memory was remarkable. If necessary, she searched her organized collection of a wide range of materials and references. Her work in postal history was also a wonderful source. We continued to share our memories of living across from Northside School -- then housing all 12 grades.

“ Norma will always be admired for her gentleness, style, friendliness and smile. She never let her yard or her flowers dare developed weeds. Everything about her showed perfection. She was admired by friends and all who knew her. A perfect lady ushered into the Gates of Heaven by the angels awaiting her entrance. A wonderful life lived to the fullest. God's speed, Norma.
