“ *So very sorry for the loss of your mom. Growing up I have many memories of your mother and never saw her without a big gorgeous smile on her face. She had the smile that would light up the room and made everyone that met her feel like a best friend. I grew up referring to her as "Aunt Olga" even though she was not my aunt. Although Heaven just got another Angel, she will be truly missed by all Loved ones. Remembering the family in my thoughts and prayers.*

“ Dear Leon, Debbie and Families,

It is with deep sadness that we write this note; wanting to let you know how very sorry we are for your loss. Though we didn't spend a lot of time with Aunt Olga, we always enjoyed visiting with her when we got the chance. She was kind and loving to everyone she knew and we always felt very special when we were around her.

It's never easy to give up your mother, but it seems especially hard during the Christmas season, when so much emphasis is placed on family time. It was just a year ago at this time that Mom Wied passed away and we know how very hard it is to face these holidays without our loved ones. It is our hope that the Lord will wrap you in his arms and give you comfort and that you will know that although gone from your sight, she is always in your heart.

Our thoughts and prayers are with you.

*Love,
Albert, Larry & Carol Wied*
