“ *I want to share a memory of Tia Olivia at a time that is sad but a time of reflection for me. Tia was very supportive and gave me good advise. She would come visit my Dad, Anastacio, when his health was getting poor. She complimented us and thanked us on the care we provided for him. I just want to say how much this meant to me and this comes to my mind and makes me smile.*

May our Lord Jesus help us through this difficult time of loss and Bless us with comfort and peace.

*Sincerely,
Mary Michael Escobar Gallegos*
