“ *Blake and Troy,*

I was thankful to have your mom and you guys in our lives for the time she spent with us, while with our dad. She always so kind to us. We loved going into the video store before that too. She always knew what video we would like to see. I just can't believe that she passed. I didn't even know she was ill. I will always remember her, for her kind heart with kind intentions toward everyone. She will now enter the Kingdom of Heaven as a child of God, and heir to his kingdom. Love you guys.

“ *I worked for Portia for many years at Video Xpress. We use to laugh and talk about everything. She loved her family very much. I remember how much she loved to go dancing and we laughed with the stories we used to share. She was like a second mom to me. She will be missed very much. My condolences to her family. May God bless you Portia....until we meet again.*

“ A few weeks ago I sent her a card with a few scratch off tickets inside...told her I hope she hit it big so she could head to Vegas to see Troy....she let me know she only won \$3.00 but no biggie because Troy was coming to Texas to see her...she was so excited! She loved Troy, Blake and his wife and granddaughter, Willow so much. I will miss our talks and out teasing each other about her love for the Dallas Cowboys and my not so much love for the Dallas Cowboys. ..haha....her boys won last night and I know she was cheering on from Heaven...Fred and I and the kids loved her so much...RIP Portia
