“ *My memories with Rachel are sitting by a fire at my dads house at the ranch, talking about our kids Angelica and Baby Abel aka Meme. I remember us laughing and crying together and silly stuff. Her smile just lit up the room when she would walk in. I will truly miss her, RIP Sweet Angel.*

*“ I was talking to Mom, Juana, and she said, “We loved Rachel and she loved us.”
And she spoke of how when we’d go visit and the younger girls and Rachel would go to the back room and start putting on makeup. They would just laugh and have so much fun together.*

Her love lives on in our hearts,
