“ *What an honor to have known Ramona Schmidt. Ramona had a positive spirit that she shared with others. I appreciate the talents that she shared with others in organizing wedding receptions such as she did for my niece Sarah who married her nephew Justin and for all that she did for my niece Hannah and her husband Kolton at their wedding reception. Just as in our family, when one marries, the person not only gets a spouse but the rest of the family as well. That is how I got to know her through our extended families. My sympathy and prayers are with the family.*
