

## Raymond "Si" Green

January 3, 1942 - January 20, 2022

Raymond "Si" Green of Port Alto passed away January 20, 2022 at the age of 80. He was born in El Campo on January 3, 1942 to Charles and Luella Green. He was a veteran of the United States Army.

Si had a passion for knowledge, trivia and debate. He was a great handyman and could fix almost anything. Although he would never admit it, he had a sweet tooth and a great love for cats. He was a truly gentle soul, and he cared deeply about his family. His dry wit kept everyone on their toes. Fishing was his favorite pastime since he was a very young boy.

Survivors include his soulmate of 18 years, Joy Raun Beese, his high school sweetheart with whom he reconnected years later; daughter Lisa Prentiss and husband Kent; sons Shawn Green and wife Aime, son Stephen Green and wife Vera, and Kevin Green and wife Regina; 13 grandchildren and six great grandchildren. He was preceded in death by his parents, sister Grace Barnes and brother Tommy Green.

The family will have a private Celebration of Life service at a later date.

“ *Unique is the only word that comes to mind to describe Si Green. Such a complex being not ever knowing what he would say and certainly never knowing what he was thinking. We are all better people having known Si for so long and certainly wish it was longer. Joy, it was such a blessing for you and Si to have so many happy years at this time of your life. So many days sharing such interesting ideas, conversations, and adventures together. Such stories and memories will comfort and give you peace in the coming months. Love you dear friend. Toodie*

*I grew up with Raymond as a member of the First Baptist Church of El Campo, and I remember hearing him sing solos as a young boy when he was a boy soprano. His songs were always followed with a chorus of AMENs from the congregation.*
